

# NINKA

**NINKA** is a protective eye shield that is **cost effective** and **accessible to all**. It was specifically designed for the **service** and **healthcare** industries. The medical and retail sectors will also appreciate its **ergonomics** and **protection against splashes**. Light yet resistant, NINKA ensures a **safer work environment** for every person who may be in close physical contact with others.

## CLEANING AND STORAGE

**WARNING:** This eye shield should only be used as a protective barrier against liquids (spit and other fluids). The lens is not impact resistant. Do not use this eye shield as a barrier against open flames or sparks. Remove protective film before use. To avoid fingerprints please assemble first the lens on the frame and then remove the protective film on both sides.

**MAINTENANCE:** Single use only.

**STORAGE:** All products must be stored in a dry and clean environment. Avoid any source of heat.

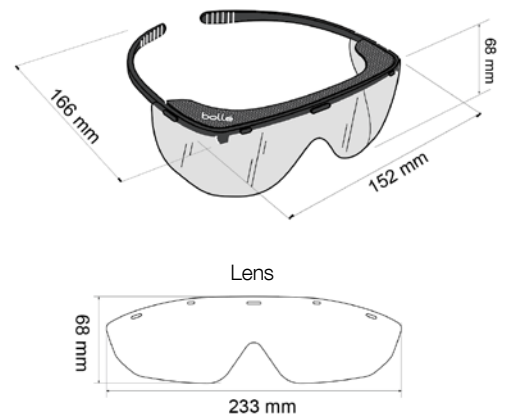

Always read and follow the instructions for use.
