

P941 - P3 Particle Filter Bayonet

Connection

Collection: Filters

Range: Respiratory Protection

Inner Pack: 6

Outer Carton: 96

Product information

The filter P941 is a particle filter that protects against dusts. It is a P3 R type and protects against toxic substances such as particles and microorganisms. The special Portwest bayonet system ensures a safer connection between the mask and the filter while the twin filters offer improved comfort and balance. This filter is compatible with the P500 Full Face masks and the P420, P430 Half Masks.

Respiratory Protection

Introducing the new PW Safety range of Half Masks and Full Face Masks designed to offer the most comfortable and best fitting products in the marketplace. Conforming to EN standards EN136 (Full Face Masks) and EN140 (Half Masks). Complete with a full range of interchangeable filters.

Standards

EN 143 Type P (3R)

Features

- CE-CAT III
- Bayonet connection
- Retail box which aids presentation for retail sales
- Lightweight and comfortable
