

PS48 - Portwest Slim Ear Defenders

Collection: Ear Muffs

Range: Hearing Protection

Materials: HIPS (High Impact Polystyrene), Polyoxymethylene, PVC

Product information

Foldable low level attenuation ear defenders, suitable for low level noise workplaces. The ultra slim earmuffs ensure a soft and lightweight fit which envelopes the ears keeping them safe and protected.

Standards

EN 352-1:2002 (SNR 22dB)

Ear Muffs

Portwest Hearing protection range includes PPE with different level sound attenuation, to be adapted to various working environments giving the correct protection from dangerous noise, without isolating the workers. New models and colours for earmuffs allow a personalised choice. An updated range of earplugs complete our competitive and performing offer.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.
