

EC-type examination certificate

C2142.2PW

Applicant	Portwest Ltd. IDA Business & Technology Park WESTPORT, CO.MAYO IRELAND
Identification of the applicant	PW
Product type	Face-shield / visor, affixed to headgear and with chin cup, intended to protecting against short circuit electric arc
Model name	PS91
Standard(s) / technical rules	DIN EN 166 : 2001 & DIN EN 170 : 2002 GS-ET-29 : 2010-02, GS-ET-29 : 2011-05 Essential requirements according to Annex II of the PPE-Directive 89/686/EEC
Test report	11261-ECS-11, RWE 11_229-1, 10542-ECS-13, 10142-ECS-14, 10272-ECS-15, RWE 14_390-1, 10661-ECS-15, 11022-ECS-16, 11632-ECS-17
Material	Polycarbonate
Specifications	Optical class: 1 Protection against high-speed particles (B) Protection against splashes of liquids (3) Protection against short circuit electric arc (8), electric arc class 2, transmittance class 1
Marking / Cat-III-product	Visor: 2C-1.4 PW 1 B 8-2-1 3 CE 1883 Headgear: PW 166 8 B CE 1883

Eye-protection devices against electrical risks and for work under voltage are Category-III-Products and are supervised by a Notified Body in accordance to the PPE-Directive Art. 11A.

This EC-type examination certificate will expire on **June 30, 2018**.

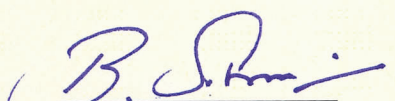

Herewith, ECS certifies that the named model complies with the basic requirements for health and safety as they are provided by the European Directive for Personal Protective Equipment 89/686/EEC. This certificate is based both / either on the test results as they are summarized in the named test reports, and/or on the technical documentation as it is delivered by the manufacturer. The applicant / manufacturer agrees to the General Business Rules of the ECS GmbH and to additional agreements as they are named in the application for conformity assessment.

The eye-protection device is to be marked as assigned. Either / both the frame and / or the ocular, spectacle, goggle or shield must be signed, as appropriate. If different marking has been assessed, the lowest marking must be applied, respectively.

The validity of this EC-type examination will expire, if the manufacturer modifies the safety-relevant properties of this product with comparison to the tested one or if the requirements in the standards or technical rules will be revised and/or tightened.

Name, address and identification number 1883 of the notified body ECS must be indicated in the information brochure of this product.
