

# VM85M Mesh Visor

Suitable with HP series helmets.

# Product Datasheet

**OUR REF:** VM85M

**PRODUCT DESCRIPTION**

An economical, fine 20cm mesh steel visor suitable for use with UCI browguards and carriers. Predominantly used in forestry applications and included in UCI forestry helmet set.

**AVAILABLE SIZES: ONE SIZE**

( Size 8 x 15.5 x 0.04 ins  
( 200 x 393 x 1 mm ))

**PACKAGING: Per Pack: 10**

**Per Case : 200**

**NOTE:** The levels of protection are based on the LOWEST value on either the visor or carrier. These may not be the same on both components - check before use or contact your supplier for more information. This product is for eye protection against moderate impact hazards but is NOT unbreakable.

VM85M shown in use with UCI Forestry Helmet Set (SM967A).

**Technical Details**

Complies with the requirements of the European Standard EN166:2001 "Personal Eye Protection".

**EN 166 1 B** Suitable for continuous use (Class 1 optical)  
Average energy impact (resists a 6 mm, 0.86g ball bearing at 120 m/s).

If the symbol F, B and A are not common to both visor and frame then the lower level MUST be assigned to the complete eye-protector.

**Instructions for use:**

- Inspect the carrier carefully before use and discard if damaged in any way.
- Ensure the visor is correctly fitted to the carrier ( H85A, H86 or HP series helmets ) and that all securing tabs are in the vertical position. Gently bend the aluminium trim so that the visor matches the shape of the carrier before use.

**Additional Information:**

- **Storage:** Always store in clean, dry conditions and contain within the poly bag/box provided. Do not store in places subject to direct, strong sunlight or in contact with solvents.
- **Damage:** This product should be carefully inspected before use and discarded if damaged in anyway whatsoever.
- **Chemicals:** Certain chemicals may have a detrimental effect on contact with this product. If in doubt please check with your supplier.
- **Material Declaration:** No parts of the helmet which are in contact with the wearer are made from materials known to cause skin irritation.
- **Cleaning:** Clean with warm soapy water.
