

USER INFORMATION SHEET

HAND PROTECTION

MODEL REF: USTRA (RIGGER GLOVES)

Description: Standard pasted cuff rigger gloves. Designed for general purpose handling in Minimal Risk Applications.

Marking:

Ultimate Industrial

MINIMAL RISK

SIZE

WARNING: MINIMAL RISK PRODUCT

THIS PRODUCT IS INTENDED TO PROTECT THE WEARER AGAINST:

- Mechanical action whose effects are minimal and easily reversible.
- Handling hot components not exposing the wearer to temperatures above 50 c.
- Atmospheric agents of neither exceptional nor extreme nature.
- Minor impacts and vibrations which do not effect vital areas of the body and where the effects cannot cause irreversible lesions.

Maintenance:

Both new and old gloves should be thoroughly inspected before use to ensure no damage is present. Gloves should not be left in a contaminated condition if reuse is intended - if contaminated, gloves should be cleaned as far as possible.

Packing & Storage:

The gloves are packed in bundles, along with this leaflet. The bundle of gloves are then placed in cardboard cartons. This is suitable for transportation and storage. Gloves should be stored in a cool, dry environment in the original packaging and out of direct sunlight.

SIZES AVAILABLE:

General:

None of the materials or processes used in the manufacture of these products are known to be harmful to the wearer.

Obsolescence:

Stored correctly, the gloves physical properties will not change for up to 5 years.

Please Note:

The information contained herein is intended to assist the wearer in the selection of personal protective equipment. The result of the laboratory tests should help with correct glove selection, however it should be understood that the actual conditions of use cannot be directly simulated. It is therefore the responsibility of the end user and not the manufacturer to determine the gloves suitability for the intended use.

This document and any other statement provided herein by or on behalf of UCI are given for informational purposes and do not constitute a contractual agreement nor warranty of merchantability. UCI assumes no responsibility for the suitability or adequacy of an end user's selection of gloves for a specific purpose.

More information and relevant documentation is available at the below contact address and/or web address.

“Leadership in PROTECTION.”

As a market leader in the design, innovation and distribution of head to toe protection, UCI provide foremost solutions to a diverse range of industry across Europe, Africa and the Middle East. From leading aviation businesses to prominent national charitable organisations, UCI is trusted and relied upon to enable and support a modern workforce.
